MEMORANDUM FOR: Survey Branch  
Office of Security

ATTENTION: [REDACTED] 25X1A9a

SUBJECT: Declassification of JANIS Study

1. I have reviewed your proposed memorandum to Major General Kenneth G. Wickham regarding declassifying the JANIS 85 Chapter VIII.

2. It is not appropriate for this office to comment on the classification of the substantive content in the JANIS study and we would prefer that this determination be made by the Army-Navy producers. We suggest that your paragraph 2 be changed accordingly.

3. The format of the JANIS publication, although similar to the NIS, is not relevant to the classification problem and I would suggest, therefore, that your third paragraph is unnecessary.

4. Aside from the classification aspect, I question the propriety or necessity of including a JANIS study as part of General Eichelberger's personal collection of papers left to Duke University.
